Dear brothers and sisters,

May the joy of the Risen Christ be with you all!

With the grace of God, the help of the Virgin Mary, and of Saint Spyridon, we have experienced a beautiful Lenten and Easter season.

As you may have noticed, our community in Upland is growing more and more. This year as well, we have welcomed new members into the Orthodox Church. The Church of Saint Spyridon is "starting to feel small," and I am convinced that, little by little and with your help, it will grow larger.

In the eyes of God, every member of the community is important, and we hope that each one of you will become more involved for the well-being of our community. The Church thanks you for your moral and material support, and for your constant presence at liturgical services.

Personally, on behalf of myself, my family, and the Parish Council, I thank you
with all my heart.

Another very important matter for the life of the Church is the following: let us
pray for one another with humility and sincerity. I will pray for you, and you for
me, and all of us together for our beloved Church in Upland.

May God bless you and your families with health, strong faith, and prosperity.

Reverend Father Iustinian Deac
